

# **ILS-Z605 INTERNSHIP**

YANG YANG SPRING 2016

# ABOUT CRU

Campus Crusade for Christ International  
nonprofit interdenominational evangelical Christian organization

Official website: <https://www.cru.org/>

I applied this internship from IU SOIC Career Website

Location: Global Leadership Office, Bloomington, IN

Project Specialist Paul Konstanski

## My career goal

- Information Architect
- Database administrator
- Full-stack web developer

# WHAT DID I DO

Code : Github <https://github.com/yangyang861115>

Update Cru's websites into responsive, user-friendly website.

More focus on the front-end development

Three main websites:

<https://chloedog.org/event.php?a=sitePick>

<https://essentials24.net/index.php?a=hello>

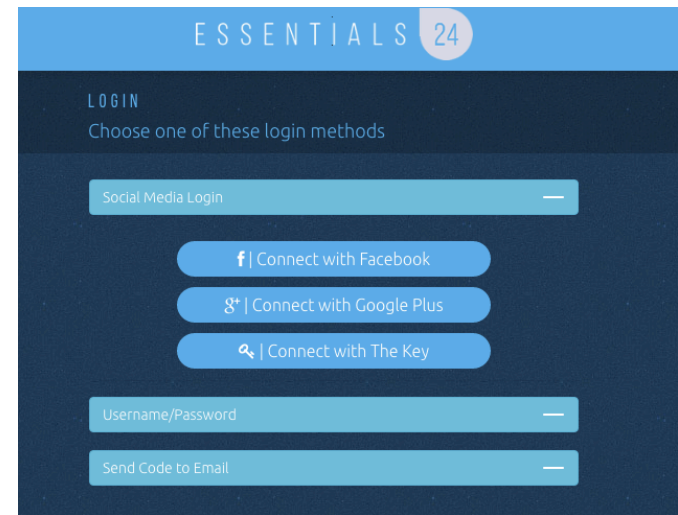

<http://makingyourlifecount.org/index.html>

Testing websites:

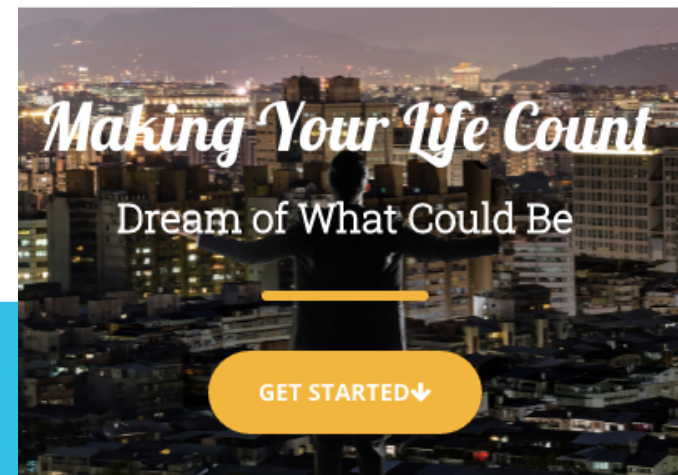

<http://makeyourlifecount.biz/Angular/#>

<http://growdeep.com/#/login>

<http://doingthingsbetter.org/#/>

*Making Your Life Count*

# HOW DO WE COMMUNICATE AND SOLVE PROBLEMS

Skype

Google Chat

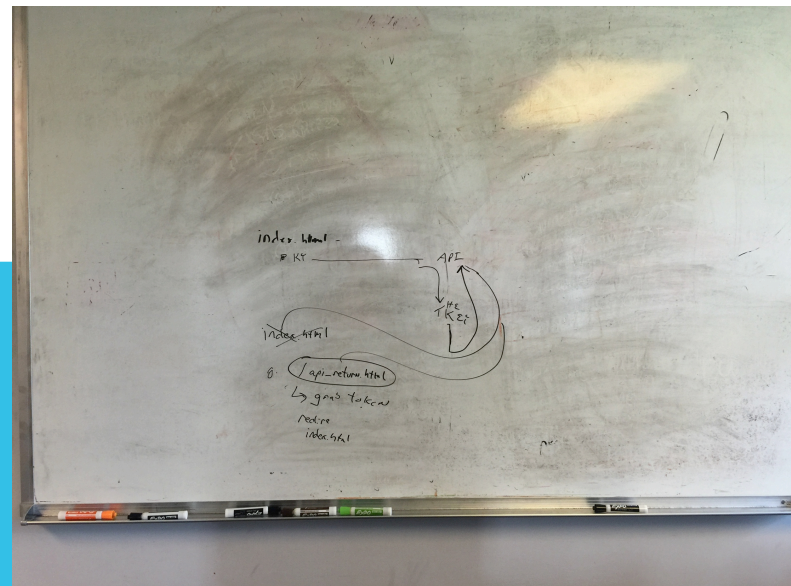

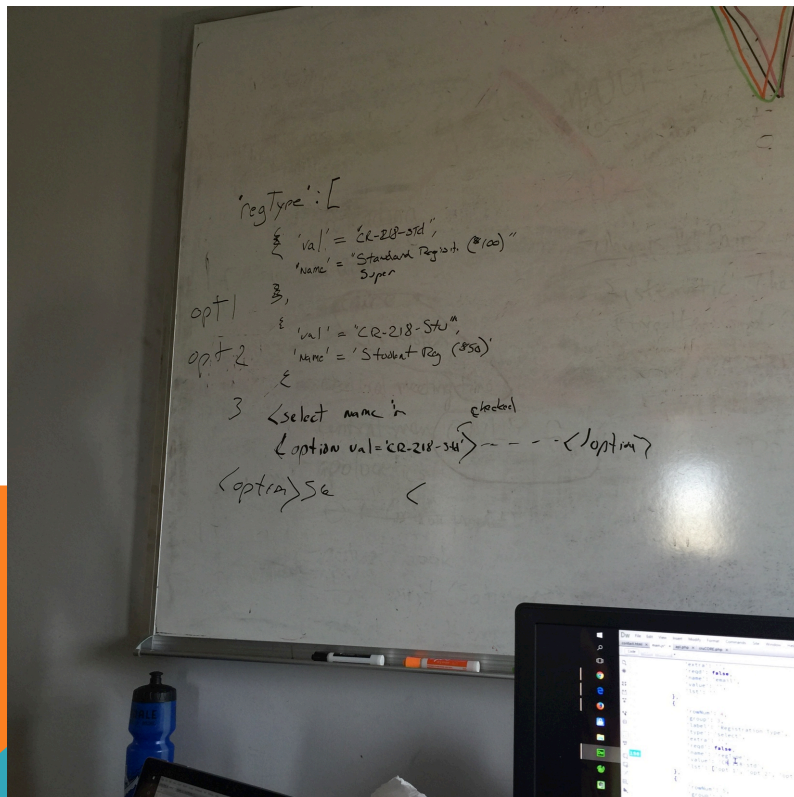

Email

Group meeting

Expert Exchange

Stack Overflow

Ask colleagues in the organization

# WHAT DID I LEARN

## Soft skills:

Communication skills and team work!

## Technical skills:

AngularJS (SPA)

Bootstrap (responsive)

HTML

CSS

JavaScript

Ajax

JQuery

PHP

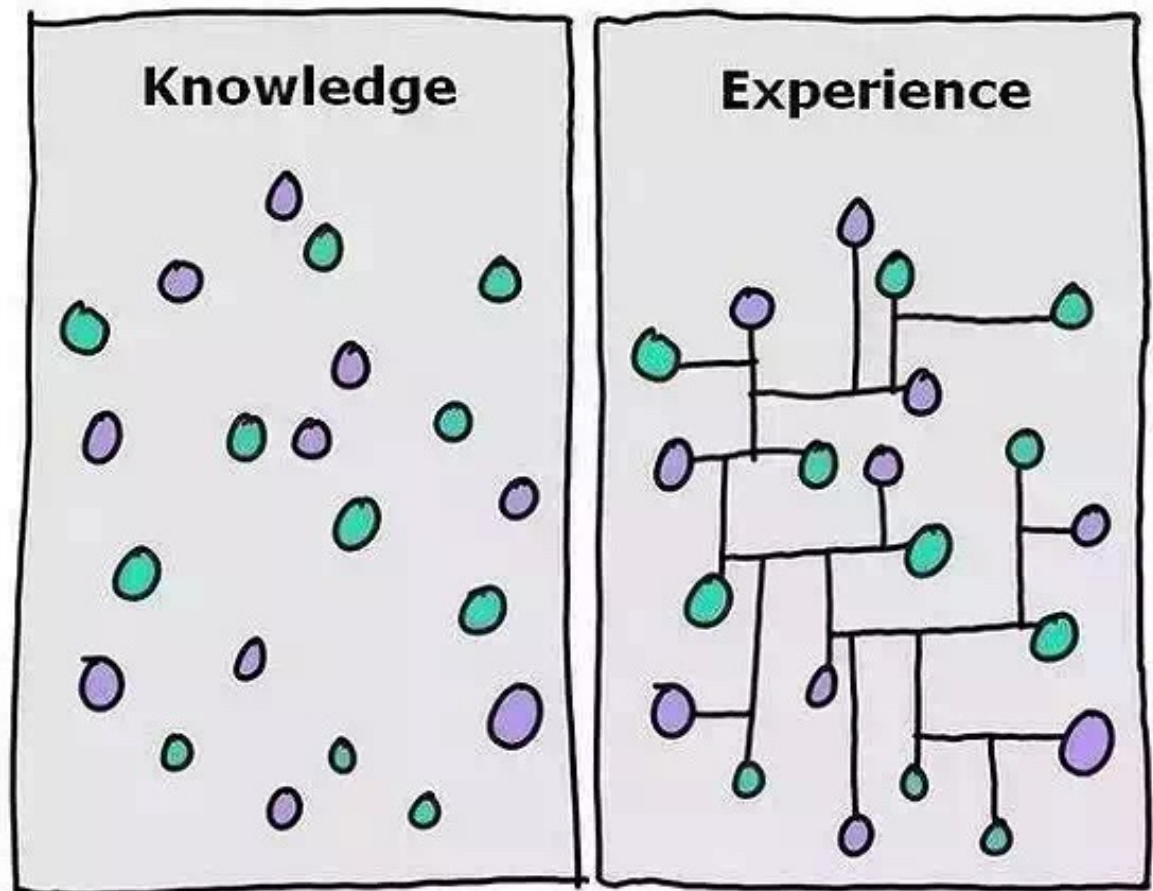

MySql

## Weaknesses:

Not enough time to work.

Feel a bit difficulty to learn new skills at the beginning.

Find proper learning materials.

**WAMP → MEAN**
